Kubernetes Cluster:

The screenshot displays the IBM Cloud Kubernetes Clusters management interface. The main content area shows a table of Kubernetes clusters. The table has columns for Name, State, Location, Worker count, Created, Version, and Infrastructure. A single cluster, 'mycluster-free', is listed with a 'Normal' state, located in 'Paris', and has 1 worker. A red banner indicates it 'Expires in 30 days'. The version is '1.24.7_1542' and the infrastructure is 'Classic'. The interface includes a sidebar with navigation options like 'Kubernetes', 'Clusters', 'Reservations', 'Helm catalog', and 'Container Registry'. The top navigation bar shows the user 'DINESH KUMAR K S's ...' and various utility icons.

Name	State	Location	Worker count	Created	Version	Infrastructure
mycluster-free	Normal	Paris	1	Expires in 30 days	1.24.7_1542	Classic
